Small group questions

1. Take some time to introduce yourself and your house church. For example, how long have you been a shepherd, how did you become a shepherd, how does your house church meet, and who are the members?
2. What is the most memorable moment you've had while serving as a shepherd?
3. On a scale of 1 to 10, how would you rate yourself as a shepherd? The higher the score, the better the shepherd. Share why you chose that score.
4. Now, think about what score you would give your house church on a scale of 1 to 10. Again, the higher the score, the better the house church. Share why you chose that score.
5. Share your ideal characteristics for a shepherd. You might think of a scenario where young people are asked, "What is your ideal partner like?" If you were to be a member or a sheep, what qualities would you hope for in a shepherd?
6. What do you think is the real issue of your house church, and what changes do you believe are necessary? Take time to share your thoughts.
7. What qualities do you think a good shepherd should have? What aspects do you believe you need to work on to become a better shepherd? Share your thoughts.
8. What do you think is the reason for having house churches, and what do you believe should be the most important goal of a house church? Share your thoughts.
